Sa Likod ng Bawat Indak
Ang lahat ng ito ay naging buhay na larawan ng pagdiriwang ng Kalamay Festival, kung saan buong husay na kinatawan ng Hubon Mamumugon ng ISUFST-SEC ang kanilang institusyon sa street dance competition. Sa bawat indak ay ipinamalas nila na ang tunay na diwa ng pagdiriwang ay hindi lamang ang pag-asam sa kampeonato, kundi ang pagbibigay ng buong puso, dangal, at pagmamahal sa kulturang kanilang ipinagmamalaki.

REPLACEABLE BATTERIES ARE BACK. 🔋

Starting February 2027, the European Union will require all new mobile phones and tablets sold in its member states to have user-replaceable batteries, making devices easier to repair and helping reduce **#electronicwaste**.

The new rules also require **#batteries** to retain at least 80 percent capacity after 800 charge cycles, ensure spare parts are available for up to 10 years, and prohibit software restrictions that prevent independent repairs. The regulation is expected to influence smartphone designs well beyond Europe. | Photo courtesy of AFP

JUST IN: May suspiciously crispy activity reported sa One Ayala Terminal Station. 🔍

Abangan ang pagdalaw ni #InspectorLutong ngayong araw upang mag-#Chickenspection at alamin kung pasado nga ba sa lutong standards ang mga kagat na 'yan.

Crunch checks, crispy clues, at posibleng "isa pa nga" findings ang ibubunyag sa araw na ito.

Celebrating a little bit late.

31, has already reminded me that growth isn't always loud. Sometimes it looks like walking away without explaining. People may disappoint, but God never does.

Thank You, Lord, for sustaining me, strengthening me, and I prayed for peace and financial stability. 🤍

‘ANG PAGSUNTOK SA SHERIFF… ANG TUNAY NA ABUSO SA KAPANGYARIHAN’

Palace Press Officer Usec. Claire Castro said the Marcos administration exercises its authority in accordance with the law, dismissing accusations by Davao City Mayor Baste Duterte that it is using the legal system and government bureaucracy against political opponents.

The mayor claimed that the impeachment case against Vice President Sara Duterte was intended to derail a possible 2028 presidential bid.

“Ang kapangyarihan sa panahon ni Pangulong Marcos, Jr. ay ginagamit sa tama at ng naaayon sa batas hindi tulad ng nakaaraan,” Castro said on Friday.

“Tandaan natin na ang pagsuntok sa Sheriff na gumaganap lang sa tungkulin ang tunay na abuso sa kapangyarihan,” she added.

Huwag mo gawing Number One si Jesus sa buhay mo!

Madalas nating marinig ang mga Kristiyano na nagsasabing, “Si Jesus ang number one sa buhay ko.” At totoo naman, dapat talaga Siyang unahin sa lahat ng oras.

Pero isipin niyo to, kapag number one lang ang tingin natin kay Jesus, may panganib na minsan ay mawala Siya sa unang puwesto. Kapag dumating ang pera, trabaho, relasyon, pangarap, o problema, unti-unti Siyang napapalitan. Ngayon Siya ang una pero bukas baka pangalawa, pangatlo, o mas mababa pa.

Kaya mga kapatid, wag lang nating gawing Number One si Jesus, gawin natin Siyang Only One sa buhay natin!

Kapag si Jesus ang Only One, wala nang ibang tao, bagay, ambisyon, o sitwasyon ang maaaring pumalit sa Kanya. Siya ang sentro ng ating buhay, ang ating Panginoon, at ang batayan ng bawat desisyon. Hindi nagbabago ang Kanyang lugar sa ating puso dahil wala Siyang kapalit.

Tandaan po natin. Hindi lang Siya ang una sa listahan, Siya ang dahilan kung bakit may listahan.

“Ibigin m[illegible] Diyos nang buong puso, buong kaluluwa, buong pag-iisip, at buong lakas.” (Mark

BASIC LATIN PRAYERS

Latin is the official language of the Latin Church and has been used for centuries in the Sacred Liturgy, official Church documents, and the prayer life of countless saints. Although the Holy Mass is now commonly celebrated in the vernacular, Latin remains a treasured part of the Church's spiritual and liturgical heritage.

Learning these basic prayers not only connects us with generations of Catholics who came before us but also deepens our appreciation for the universality and continuity of the Catholic faith.

"The use of the Latin language is to be preserved in the Latin rites." —Sacrosanctum Concilium, 36

Ang depensa ng kampo ni Sara Duterte: “Triggered” lang daw siya. Hindi raw Vice President ang nagsasalita—wife, mother, daughter, sister lang.

Putangina, may emotional logout button pala ang Konstitusyon?

Hindi puwedeng mag-sign out bilang Bise Presidente habang nagmumura at nagsasabing may kinausap kang tao upang ipapatay ang Presidente, First Lady, at dating Speaker—tapos mag-login ulit bilang VP kapag suweldo, kapangyarihan, security detail, succession, at 32 million votes na ang usapan.

Hindi costume ang public office. Article XI requires public officials to remain accountable “at all times.” Walang exemption na “except kapag galit, nasaktan, o triggered.”

“Triggered” may explain the emotion. It does not erase the words, the office, the power, or the consequences. Ang galit ay context, hindi acquittal. Kung sapat ang “nadala lang ako ng emosyon,” bawat death threat ay puwedeng gawing harmless outburst pagkatapos mahuli.

At hindi rin magic shield ang salitang “conditional.” Ang grave threat ay maaaring

Jul 13, 2026 19:39:05

facebook

At hindi rin magic shield ang salitang “conditional.” Ang grave threat ay maaaring may kondisyon o wala. Kapag sinabi mong, “Kapag namatay ako, patayin mo sila,” the condition identifies the trigger. Hindi nito binubura ang banta.

The condition is the pin of the grenade. Hindi naging home décor ang granada dahil hindi pa nahihila ang pin.

Pero maging eksakto: hindi rin sapat ang viral clip para awtomatikong ideklarang criminally guilty ang isang tao. Dapat suriin ang buong recording, context, authenticity, intent, audience, at admissible evidence. The prosecution must prove its case, and the defense must be heard.

Pero ibang usapan ang sabihing awtomatikong inosente ang pahayag dahil emotional, conditional, o sinabi bilang ina at asawa. Walang ganoong automatic exemption sa batas o Konstitusyon.

Kung totoong may banta sa pamilya, ang legal at normal na tugon ng isang mataas na opisyal ay magreport, magpreserba ng ebidensiya, humingi ng proteksiyon, at magsampa ng kaso—hindi mag-anunsiyo na may kinausap nang tao, may instruction nang ibinigay, at may nakuha nang “yes.”

At kung [illegible]o ang nagsasabing nawawala ang restraint at judgment niya kapag

Jul 13, 2026 19:39:09

hakuna nang "yes."

At kung ang depensa mismo ang nagsasabing nawawala ang restraint at judgment niya kapag galit, mas malaki ang tanong: kaya ba niyang dalhin ang temperament at discipline na hinihingi ng ikalawang pinakamataas na posisyon sa bansa?

Impeachment is not limited to whether there is already a final criminal conviction. Criminal liability and constitutional accountability are related, but they are not identical. The issue is also what the conduct reveals about fitness for public trust.

Kaya sablay ang pagtatago sa tanong na, "Nasaan ang kontrata sa assassin?" Hindi kailangan ng notarized hitman agreement, resibo ng down payment, o screenshot na "assassin out for delivery" bago seryosohin ang isang threat. Ang dapat suriin ay kung ano ang sinabi, ano ang ibig sabihin, sa anong context, at kung paano ito makatwirang maiintindihan.

Triggered reasoning ang depensang ito:

Kapag sila ang nagbanta, human emotion.
Kapag kalaban ang nagsalita, grave threat at national-security crisis.
Kapag kailangan ang kapangyarihan ng puwesto, mandate of 32 million voters.
Kapag accountability na, private citizen at protective mother lang daw.

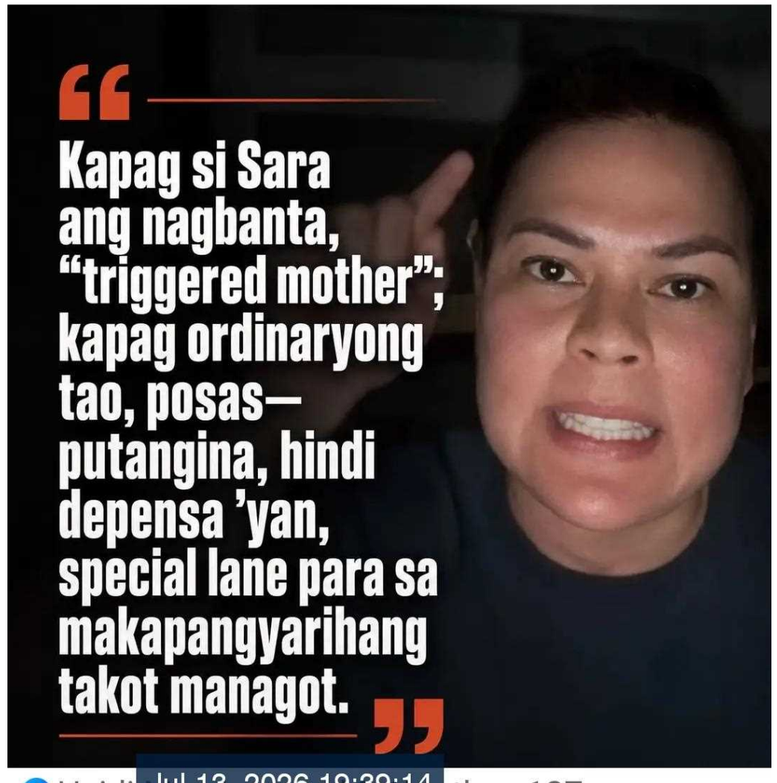
Jul 13, 2026 19:39:11

facebook

protective mother lang daw.

You cannot invoke the majesty of the office to demand immunity, then deny the office to escape accountability.

Ang galit ay paliwanag, hindi acquittal.
Ang pagiging ina ay pagkakakilanlan, hindi immunity.
At ang salitang "kapag" ay kondisyon—hindi pambura ng banta.



"
Kapag si Sara ang nagbanta, "triggered mother"; kapag ordinaryong tao, posas— putangina, hindi depensa 'yan, special lane para sa makapangyarihang takot managot.

The **Manufacturers Trust Company Building** is a commercial building in Midtown Manhattan, New York City. Opened in 1954, it was the first bank building in the United States to be built in the International Style. It was commissioned by the Manufacturers Trust Company and designed by Skidmore, Owings & Merrill (SOM). The façade is made largely of glass panes and aluminum mullions, while the first story includes a bank vault door visible from the street. After its opening, it became one of Manufacturers Trust's busiest branches and a tourist attraction. Manufacturers Trust's successor, Chase Bank, sold the building in 2000 but remained there until 2010. SOM renovated the building in 2012, converting it into a commercial structure, and Reuben Brothers acquired the property in 2023. The building was praised for its exterior design, ceilings, and visible vault door. The New York City Landmarks Preservation [illegible] ated the exterior and interior as official landmarks.

Saksi ang langit kung ilang beses akong binangon ng panalangin.

May mga laban na walang nakakita. May mga gabing tahimik ang luha at mabigat ang puso. May mga pagkakataong halos mawalan na ng pag-asa, ngunit sa bawat pagluhod at taimtim na panalangin, may bagong lakas na ipinagkaloob ang Diyos.

Hindi laging agad dumarating ang sagot, pero laging dumarating ang Kanyang biyaya sa tamang panahon. Ang panalangin ay hindi lamang humihingi ng himala—binabago rin nito ang ating puso upang magkaroon ng lakas na harapin ang bawat pagsubok.

Kung hanggang ngayon ay nakatayo ka pa rin sa kabila ng lahat, huwag kalimutang magpasalamat. Sapagkat saksi ang langit: hindi ka lamang nabuhay dahil sa sarili mong lakas, kundi dahil sa Diyos na paulit-ulit kang binangon sa pamamagitan ng panalangin.
